Another Visit From the Death Angel.

Again has the death angel invaded the home of Mr. and Mrs. Jerry Burnett and deprived them of one of their little ones. This time the dreaded visitor carried away with him Olga, their beautiful little four year old daughter, who had been ill for weeks with diphtheria.

Only a little over a month ago their two year old baby, little Jerry, was laid away, having succumbed to the same dreaded disease and at the same time their oldest and only other child, Marie, about eight years of age was also very ill, but she has now entirely recovered.

The funeral of little Olga was private and was held Monday afternoon from the residence. Rev. L. W. Moore, of the Methodist church conducting the service and the little body was buried in Greenwood cemetery.

That when he left Ocala his whereabouts were known and he made no secret of his movements. For the things said about him he expects to bring somebody to task. Epworth League and the Library.

The contest closes on the 15th. Saturday is the last voting day. We earnestly request all our friends to make a special effort in behalf of the League this week. We want all to remember that if we win this excellent library, it will be placed in the public reading and social rooms, and the members of every lodge, society, school and church will have free access to it. We know this plan must meet with your approval. If it does, cast every vote you possibly can for us this week. Your vote may mean our success. We desire to see this fine collection of literature placed where it will be of the greatest benefit the largest number. This will be the result if we win.

Yours faithfully,
